- National Curriculum Assessment
- Curriculum/Learning Resources
- School Policies
- Health and Safety/Safeguarding
- Toilet facilities
- Accessibility Plan and Disability Equality Plan
- Attendance
- National Curriculum assessment results for FP and KS2

Introduction

Welcome to this year's Annual Report to parents.

Much about the life of the school, its statistics and achievements are listed in the Governors Annual Report, where we, the Governors, take this opportunity to outline a summary of the responsibilities of the Governing Body in the discharge of its duties.

Over the last academic year, staff and pupils at Sea View Primary School have continued to develop the curriculum in line with the Curriculum for Wales reform and the changes to the ALN system in Wales. We as Governors would like to recognise all of the hard work of the leadership team and staff at Sea View.

Most sincerely, I thank you, our parents, for your co-operation and would like to present you with our report. This is your opportunity to ask any questions of the Head teacher and Governors which are relevant to the Report.

Kind Regards,

Mike Sutton-Smith

Mike Sutton-Smith
Chair of Governors

MEETING

No Governing Body meeting for parents was held in the previous academic year 2022-2023 and no petition to hold a parents meeting was received.

Events of the year...

As a school we like to provide a range of different experiences, visitors and educational visits for our pupils. We understand the pressures families face with financial issues and we always ensure we seek best value for money and wherever possible we provide free or subsidised events.

And here are more events that enriched the year ...

September '22

Y6 Swimming
Meet the teacher
School Photos
Whole School Martial Arts Taster sessions
Urdd Welsh Sports Workshops
Y1/2 Trip to Swansea Museum
Y2 Kerbcraft

January '23

Y5 Swimming
Y4 – Bandalong
Y6 – Bulb Planting in the community
Whole School - Handwashing Workshops
Y6 – Swansea Youth Justice Team ASB awareness
Reverend Justin Assembly
Y4/5 Sports and Health with Swansea Council Sports Team
Y5/6 - Reaching Wider Aspiration workshops with Swansea University
Y4 – Cricket Wales
Y3/4/5 PC Richards – Cyber Safety
Parent Workshops – Health and Well-being

May '23

Y4 Visitor Muslim Marriage
Nursery Parent Engagement sessions
Y4 Library Visit
Y6 PC Richards CSE
Y2 PC Richards Safe Haven
Reverend Justin Assembly
Y1/2 Class Assembly
Y6 Residential Borfa
Drop Everything and Read OU
Reading Project
Outdoor Storytelling
Sea View 5K Event

October '22

Y2 Kerbcraft
Y6 Swimming
Y5/6 Dylan Thomas Textiles Workshops
Y3/4 History of Wales Workshops
Y5/6 Class Assembly
Shw'mae Day
Parent consultations
Y6 Visit to St Nicholas Church
Reverend Justin Assembly
Townhill Library Visits
Y4 – Bumbles of Honeywood – Enterprise
Y6 visits to Dylan Thomas
PTA Disco
Dylan Thomas Headteacher visit to Y6
Y5/6 PC Richards – Drugs and Alcohol talk
Wear it Pink for Breast Cancer Day

February '23

Y5 Swimming
Whole School – Number Day
Y6 – Swansea University Science Workshops
Internet Safety Week
Y2 & Y5 PC Richards – Drugs
Y4 – Cricket Wales
Reverend Justin Assembly
Y5/6 Swansea University – Art Project
Nursery – Outdoor Fun Play Sessions with Community Farm Parent Workshops
Y4 – Library Visit
Whole School Health and Well-being Day
Y3/4 - Storyteller
Y4 PC Richards Stranger Danger
Y3-6 Ospreys in the Community

June '23

Y6 Astro Cymru Science Workshops
Dance Challenge Day
Expressive Arts Week
BSL Day
Drama Day
Expressive Arts Parents Workshops
Y5/6 Performing Arts sessions

Additional Learning Needs SI 1999/1442 Para 6.

We continue to provide a high standard of support for our pupils with Additional Learning Needs (ALN). The new ALN system started on 1 September 2021, and 1 January 2022, for children up to and including Year 10 who were newly identified as having ALN after those dates.

All children who have been identified as having ALN have an Individual Development Plan (IDP) which outlines their provision and targets and these are discussed and agreed with parents, class teachers, Specialist teachers and the ALNCo during Person Centred Meetings and IDP reviews.

Further information about the ALN transformation programme can be found here <https://gov.wales/additional-learning-needs-transformation-programme-frequently-asked-questions-html>

How does the ALN system work?

- When a member of the teaching staff or parent has concern related to the academic progress, emotional development or medical condition of a pupil, they bring their concerns to the attention of the Additional Learning Needs Co-ordinator (ALNCO). The teacher, ALNCO and parent will decide on a course of action following discussion and observation. It may be that the pupil's learning needs can be met as part of normal classroom provision or they may need more specialist support and intervention. If this is the case, they may be provided with an Individual Development Plan.
- The school works with a range of outside agencies to support pupils with ALN, for example the Speech, Language and Communication Team, Behaviour Support Team, Educational Psychologists, Occupational Therapists and specialist teachers for Hearing Impaired pupils.
 - The school also receives additional funds to help support individual focus groups of pupils through the Pupil Deprivation Grant (PDG) and Educational Improvement Grant (EIG).

Who is Responsible for Overseeing ALN Support Within Our School?

Mr Tiltman is the ALNCO (Additional Learning Needs Co-Coordinator). Support is provided by Teachers and Teaching Assistants, under the guidance of class teachers. Mr Tiltman is always happy to discuss your child's progress in relation to Additional Learning Needs, should you wish to do so.

Who is the Governor with Responsibility for Special Needs?

Sea View Primary School's governor with responsibility for ALN is Mr T Beddow. Mr Beddow meets regularly with Mr Tiltman to monitor and evaluate ALN provision across the school.

Arrangements for the teaching of Welsh

Sea View Community Primary School is an English medium school and all correspondence is provided in English only. Welsh is taught as a second language from Nursery age.

We are proud of our Welsh heritage. We aim to use the Welsh language in such a way as to ensure that children see, hear and use it as a natural part of school life. Welsh is given a prominent role in many school activities. Children also have an opportunity to learn about their Welsh culture and heritage, as well as the language of Wales, through activities such as St. David's Day celebrations, Shw'mae Day and 'Bore Da' day.

Our teaching of Welsh is supported by the Local Authority peripatetic Welsh teacher (Athrawon Bro), who visits the school regularly to work alongside teachers and pupils in promoting the Welsh Language.

All staff undertake relevant training to improve their competency in teaching and learning Welsh. Two of our teachers have taken part in a year-long Welsh Sabbatical Scheme with Swansea University.

Sporting achievements

The school offers Physical Education each week as part of the curriculum. Teams in different sports compete in various competitions. There are also numerous after school sports clubs which are arranged and run by staff – for example Running, Dance, Football, Keep fit.

We partake in a range of competitive sporting events against other local schools such as swimming, athletics, football and Cross Country. We are an inclusive school and believe in everybody taking part and achieving to the best of their ability.

We usually take part in the annual Taliesin Dance project, which culminates in a performance in the theatre.

Sporting teams are inclusive to all – regardless of gender, ability and age. Y5 and Y6 undertake swimming sessions throughout the year. Older pupils can attend residential courses at Rhosilli or Borfa Outdoor Education Centre.

Before and After School Arrangements

The school offers a free breakfast service to pupils. This service starts at 8.30 a.m. Our breakfast/ lunchtime supervisory assistants and canteen staff must be commended for the way they have been part of the team at Sea View by working together. They decorate the canteen so that it is a bright and welcoming environment for our children. Their work is very much appreciated and doesn't go unnoticed.

Teachers provide a range of after school clubs and activities for pupils – e.g. Art, Minecraft, Keep Fit, BSL, Welsh, Lego, Running, Outdoor Learning.

Pupil Voice and Active Citizenship

The school works with charities that promote active citizenship such as Childline and Children in Need. Pupils and parents are encouraged to become aware of local, national and global issues faced by children. We promote a sense of community and respect. Sea View Primary School pupils are encouraged to be active and informed citizens who look after their school local community and beyond to develop a positive future for all. All pupils from Y2 to Y6 are members of a pupil voice group. We have 6 pupil voice groups at Sea View – Learning Explorers, Eco-Committee, Safety Squad, Well-being Warriors, Club Croeso and Criw Cymraeg as well as our School Council which is made up of the chair and vice chair of each group. The learners take their responsibility very seriously and show commitment for the good of our school. These activities develop children's sense of well-being as they focus on needs of others around them and their relationship with those around them.

Healthy Eating and Drinking

Sea View Community Primary School is committed to the aims of the Healthy Schools Network and to promoting the health and well-being of all in its school community. As part of the school's curriculum, pupils have the opportunity to develop a good understanding of healthy eating and drinking and are encouraged to eat a range of healthy foods. The school also promotes healthy eating and drinking through the following activities:-

- ✓ Fruit Snacks
- ✓ Milk Provision
- ✓ Promoting Healthy Lunch Boxes

- ✓ Encouraging pupils to drink water
- ✓ Breakfast Club

Financial Report Para 4(a) to 4(d).

The budget is one of the most important areas of the Governors' responsibilities. The Head Teacher manages the budget on a day-to-day basis on behalf of the Governing Body. The Head Teacher liaises closely with the Primary Support Officer (PSO) and the Finance Sub Committee who have to set budget limits for a range of resources. In accordance with the requirements of the Education Reform Act 1988, the statement of Actual Gross Expenditure for the year ended March 2023 is outlined below.

End of Year Statement 2023/24

School	Sea View Primary School		
STATEMENT OF ACTUAL EXPENDITURE 2023/24 FINANCIAL YEAR

CLOSING BALANCE ON RESERVES (31/03/2022)	96,234

No expenses were claimed by Governors

The PTA continue to support the school throughout the year with various much needed fundraising initiatives and have contributed towards equipment and the cost of school trips. The school is very grateful to the PTA for their ongoing support of the school.

Strengthening Links with the Community

Para 9.

It is a regular focus of our School Development Plans that we maintain and extend our links with the community. Close links are maintained with Dylan Thomas Comprehensive School through pupil visits, Headteacher meetings, curriculum leader meetings and sporting activities. Lifepoint Church also support the school in many ways and we are very grateful. We welcome visits and assemblies from Reverend Justin from St Mary's Church. Mrs Sue Milward from the Phoenix library also visits the school regularly and we visit the Phoenix Library as often as we can. The police liaison service and PCSOs carry out various personal and social workshops with the pupils. We continue to have very strong links with Flying Start and the health

School Prospectus

Para 14(1) & (2)

The school prospectus is reviewed and updated annually. The prospectus contains information about the school's class structures and outlines the aims and vision of the school. The prospectus details costs of uniforms, after school clubs and gives a list of staff working in the school. For a copy of the prospectus, please ask Mrs Saunders or Mrs. Masters in the school office, or visit the school website.

visitors situated there. We also have strengthened our links with Swansea University through their Reaching Wider Programme and students regularly come in to work with children alongside our visits to the campus. We have also enjoyed expanding our parent workshop offer over the last year and thank you all for your support in attending these, which have included Numeracy, Expressive Arts, Health and Well-being and BSL. Thank you all for your support.

Secondary School Transfers

Para 8

Our links with our partner secondary school, Dylan Thomas Community School have continued to be strong over the course of the year. The Year 6 children typically attend sports days, team building and creative days at the school as well as welcoming teachers from the school to teach the children here at Sea View. Dylan Thomas organise a 'transition period' in which our Year 6 children will spend 3 days at the school familiarising themselves with the layout of the campus, the teachers, and procedures and routines in regards to lunchtimes etc.

We also meet with Bishop Gore and Pentrehafod teachers to discuss the pupils who have decided to go there.

Moral and Social Development

We have a Health and Well-being, RVE and RSE scheme which helps guide and support the moral and social development of our pupils. Our school ethos and school policies such as Positive Relationships and Behaviour, and our Areas of Learning and Experience skills maps along with our strategic equality plan support this area.

Term Dates (2023 - 2024)

			Mid Term Holidays				
Term	Term begins	Term ends	Begins	Ends	Term begins	Term ends	Total days per term

Y1/2	9.00 am. – 11.30 noon	12.15 pm. – 3.30 pm.
Y3/4/5/6	9.00 am. – 12.25 pm.	1.00 pm. – 3.30 pm.

Progress on our School Development Plan (SDP)

Parents are made aware of the focus via newsletters, parent meetings and our school website. The SDP summary can be found on the school website.

Our SDP runs from September to July. Our targets are devised using a number of sources including work scrutiny, lesson observations, analysis of data, learning walks and listening to learners.

Objectives set for 2023/24 were:

Priority 1: Curriculum: Further develop writing across the school, Further develop pupils reading skills through developing a Reading for Pleasure (RfP) Pedagogy across the school, develop reasoning and Welsh oracy skills.

Priority 2: Leadership further develop teachers' leadership skills by developing self-evaluation processes, increase governor involvement in self-evaluation and to build the participation and decision making of pupil voice groups.

Governors receive termly updates on progress being made.

We are in a time of significant change in primary education. Planning and assessment for the new curriculum along with the Additional Learning Needs Act are at the heart of this change. Parents are informed of their child's progress via Parent consultations and via a written report in the Summer term.

Teaching and Learning

Sea View Community Primary School is a good and caring school. Our ethos is positive and we have been repeatedly complimented by a range of visiting professionals, families and members of the wider community on our warm and welcoming atmosphere and the open and caring culture that is evident throughout the school. We believe that the quality of relationships lies at the heart of our success. Relationships between staff and pupils, staff and parents, staff and governors and of course between staff and their colleagues are based on mutual trust and respect and underpin our development. We work hard to ensure staff are happy, enthusiastic, cooperative, dedicated, hardworking and organised with a shared philosophy. We celebrate the fact that our children are also happy and hardworking and that they all have the opportunity to experience success and to feel that they have a real contribution to make to the life and working of our school. Principles of the Curriculum for Wales are embedded within the school's planning and great focus is placed upon giving the pupils experiences to develop in line with the four purposes of the new curriculum.

Assessment

Sea View Primary School has developed its own robust tracking system that enables the school to produce individual pupil profiles covering a range of assessment scores and data on each pupil. These profiles contain information regarding attendance and academic progress. We plot individual pupil progress as well as cohort progress (which we use to review teaching and learning) and set future targets for improvement..

Teacher Assessment results continue to show improvement and this reflects the high quality teaching in the school. The Headteacher and senior management team is responsible for standards, scrutinising planning and evaluation of practices. Subject leaders also monitor standards and teaching and learning in their subject.

School Policies

We regularly review and update our school policies. Reviews are undertaken on a rolling programme, led by relevant subject leaders. Review of policies ensures the inclusion of new developments, resources and methodologies particularly with the Government drive on safeguarding and raising standards in literacy and numeracy. Copies of school policies can be obtained from the school office and many are available on our school website.

Health & Safety & Safeguarding

Safeguarding is of paramount importance to the staff and governors of Sea View Primary School. All staff and governors are required to take child protection training every three years. Mrs J. Dunn is the Designated Safeguarding Person (DSP) for the school and Mr G. Tiltman and Mrs C. Saunders are the Deputy DSPs. Mr M. Sutton Smith is the designated Child Protection Governor for the School.

Whilst encouraging independence and decision making, the school strives to provide the pupils with a safe environment in which to nurture their skills. Changes to the school over the last three years in terms of health and safety have included:-

- Extensive improvements to the school buildings and grounds
- Increased number of CCTV cameras to cover areas of the school grounds
- Improved security camera on the main entrance
- Fob entry and exit systems
- Locks fitted to School Yard
- New Fire alarm system
- Purpose built sensory room

Toilet facilities

Sea View Primary provides good quality toilet facilities throughout the school. The school recognises that well-maintained toilet facilities where learners feel comfortable and safe and have open access to throughout the school day, are essential for health, well-being, and learning. Toilets and washroom facilities are open and available to learners throughout the school day. They are suitable for the range of anticipated users, including learners with disabilities and special needs, with adequate lighting, sanitary disposal, fixtures and fittings.

An Accessibility Plan and Disability Equality Plan

The school's Strategic Equality Plan - SEP - is reviewed every three years. It identifies access needs in order that the school may continue to be inclusive to all. This has been used to inform the LA of school priorities in this area. All visitors are asked to inform the office if they have specific needs and we endeavour to meet requests.

A copy of the SEP is available upon request.

Our Philosophy

We consider ethos to be the most important aspect of our school, providing the essential basis for learning. We consistently strive to ensure we have a very positive, welcoming ethos where children feel safe, secure, valued and happy to learn. We believe this aids effective access to the curriculum.

We believe children need to be placed at the heart of their learning and that creative, independent thinking is central to independent learning. We strive to prepare children for a life in an ever changing world, by fostering skills that develop and equip them for whatever the future may hold.

At Sea View Community Primary School all children have access to a broad, balanced, creative and relevant curriculum with high levels of support and challenge. We celebrate the diversity within in our school and ensure success is valued. We endeavour to foster positive attitudes to learning. All children are challenged to extend themselves and to achieve their potential. We are proud of the experiences and opportunities provided at our school, through promoting professional expertise

Our Aims

At Sea View Community Primary School we aim to:

- Facilitate a broad and exciting curriculum underpinned by a wide range of experiences.
- Provide a safe, happy, nurturing & child-centred learning environment allowing pupils to develop independently into confident life-long learners.
- Have high expectations so all pupils aspire to be the best that they can.
- Foster teamwork, communication and collaboration.
- Ensure all stakeholders feel involved, listened to and valued.
- Teach pupils to value diversity and equality.
- Develop literate, numerate, digitally competent and healthy citizens equipped for the future and whatever it may hold.

And finally, a short message from Mrs Dunn:

Dear Parents and Carers,

I'm extremely proud of all the hard work that goes into making Sea View Community Primary school the happy and vibrant place that it is. I would like to extend a huge thank you to the staff, parents, governors and community but most importantly the children for contributing fully to the school and for helping us to continually strive to improve to give the children the very best possible education we can. Sea View Primary school is proud to be rooted in the heart of the community in Mayhill. As a school, we aim to be inclusive and value the contribution of every member of our community, recognising the part we all play in helping to build a better world for everyone.

Particular highlights of the year included our many parent workshops where parents and children came together to learn and have fun in school and the Sea View 5K which brought the whole community out to celebrate the success of our running club. We also held a very successful British Sign Language week where we celebrated the success of our BSL journey so far, with parents being taught to sign by their children.

We look forward to continuing to build on the successes of 2023/4. Our new school development priorities are:

- Develop and Enhance Forest Phase Early Years provision. Ensure pupils have access to a holistic curriculum that promotes choice and independence and values play based learning, authentic learning experiences, outdoor learning and fosters cognitive, social and emotional development
- Continue to develop the Sea View curriculum to meet the needs of all pupils, supporting the development of learners' literacy, numeracy, creativity and independence skills.
- Support leadership development to ensure the effective operation of the school; based on robust pedagogical knowledge.

As always I would like to thank you for your continuing support of the school.

Mrs Julie Dunn

Headteacher
